

### **Department Profile**

The Department of Education of Kurukshetra University, established in the year 1963, has been widening its horizon over the years in the field of education. The Department has been conducting M.Ed., M.A. (Education), M.Ed. (Special Education), M.Phil. (Education) and Ph.D. courses and has to its credit a number of innovative practices like utilizing Educational Technology, Education of Exceptional children, Creativity in teaching and learning. Models of Teaching, Expository teaching, Programmed learning at various levels in different areas of school subjects, & infusion of Adult Education Programs. In the field of educational research, it has been conducting a number of projects in the area of Educational Technology, Teaching and Learning, Evaluation of Text-books prescribed by Haryana School Board, Teacher Education, Educational Management, Development of Personality and Adjustment, Mental Health, Advanced Statistical Techniques in Behavioral Sciences and Educational Research. The goals of the department are preparation of creative, talented and competent teacher educators and researchers and provide exposure to students in a variety of training programs and situations at all levels viz. M. Ed, M.Ed (Special Education), M.A. (Education) and M.Phil. (Education). The Department was recognized as DSA (Department of Special Assistance) under SAP (Special Assistance Programme) of the UGC on the basis of contribution made in the field of Education.

The DSA Program was reviewed on 18th May 1993 and further sanction for five years was made. The thrust areas so identified were Educational Technology and Educational Management. After review two more areas were added i.e. Primary Education and Women Education. Late in October 2000 the work of the Department was review and again given special Grant under Sap with the thrust areas Educational Technology, Educational Management and elementary education Under DSA Program the Department conducted a number of Research Studies in the said thrust areas. With the insight got through research, the Department has been getting projects sponsored by AICTE, NCERT, NIEPA and Government of Haryana. The Department under this scheme has promoted doctoral research and a number of candidates have obtained their Ph.D. degrees.

The department has made another serious effort in the development and up gradation of undergraduate and post-graduation courses in education. A high level meeting of all principals of colleges of education in Haryana, sponsored by NCTE & supported by the staff of the University college of education and Department of education, was held under the aegis of the Department to consider the new curriculum frame-work recommended by the NCTE. The B.Ed. syllabus has been changed to match the present days needs of the teachers in the schools

Chairperson : Dr. J.R. Dheer.

**Facilities:**

**Library** : The department provides students with an in-house library facility which has about 400 books relating to teaching & research. Ph.D. thesis was also provided to the Student for their help in the field of research.

**Teaching Labs** : The Department has a Computer and Psychological Labs. Computer Lab is well equipped with Internet facilities and necessary software required for research. Psychological Lab consists of different Psychological Tests which have been frequently used by the students and researchers.

**Others Facilities** : The Department established Educational Technology Resource Centre with sponsorship from All India

Council of Technical Education (AICTE). The objective of the Resource Centre was to provide training to the teachers of the educational institutions in utilizing educational technology for enriching the teaching-learning process in their classrooms. The Department visualized to the facility of developing learning material to Distance Education students of the University.

**Placement Cell:**

- Past students are helped in placements as Lecturer in various Colleges of Education
- On the campus selections were made for various public schools.
- Special education students (B. Ed. Special Education) are helped in procuring position as special teachers in inter-state special schools

**Information on Seminar and Conferences**

S.No	Organised By	Date & Place	Title of Seminar/Workshop
1.	Dr. S.P. Malhotra	12 <sup>th</sup> To 21 <sup>st</sup> June, 2006 Department of Education	Using Computer for Research and Class Room teaching in collaboration with Intel
2.	Dr. S.P. Malhotra	25 <sup>th</sup> to 26 <sup>th</sup> October, 2006 Department of Education	Knowledge Economy and Teacher Education
3.	Dr. S.P. Malhotra	31 <sup>st</sup> October, 2006 Department of Education	Research Methodology Cause and Effect Relationships in Experimental Design

**Information on Research Activities (Projects)**
