BRACH PROFILE

The Department has 106 acres of land in village Luckhi (Dera Santokpura) at a distance of 20 kilometers from the University campus, which is under self-cultivation. The department follow the policy of grow more food grain under Seed Proudction Programme.

In addition to this farm the department has 58 acres of land at university campus under community forest Project with a view to maintaining ecological balance and also for pollution control. The Plantation and orchard so developed are now taken care by the land and farming department.

The department also owns about 300 acres of lands outside in different villages of Tehsil Gulhs, District Kaithal and in District Karnal, which is given on license basis through open action to interested person for agriculture purposes.

The university has installed summersible pumps in villages KhushalMajra, Tatiana, Arnauli, Peedal, Sultania Plot, Daba, Bhoona, Ladana Chakku, Kakeri and Cheeka to fulfil irrigation requirement and to enhance the licence money/ income of the university.
